

F100

 **FUEL
FACTORY™**

F100 is a street legal, oxygenated, unleaded gasoline for use in muscle cars, street cars, exotic cars, classics, and street rods. This 100 Octane fuel will allow for tuning optimization compared to traditionally lower octane pump fuels. Fuel Factory's F100 is acceptable for use in applications with catalytic convertors and O2 sensors. It is compatible with fuel injectors and carburetors.
